

2010 HCCA Safe Employee
(for 2009)

- . *Encourages Safety***
- . *Demonstrates Safety***
- . *Works Safely***

In an effort to further promote safety, the HCCA Safety Committee has created a new association safety award: The HCCA Safe Employee Award. As opposed to the traditional HCCA Safety Awards, which recognize good safety practices of member firms, The HCCA Safe Employee Award recognizes individual employees who have demonstrated exemplary efforts to promote and realize a safe work environment. The person(s) who receives this award will have made a significant impact on the safety of their work environment by:

- Consistently demonstrating excellent safety practices
- suggesting improvements of safety practices
- demonstrating safe work practices to others

This award is open to all HCCA members with the exception of employees who work as safety officers. The nominee must have worked for the member firm in 2008 and be currently employed by the member firm in 2009.

This application must be completed and returned to the HCCA office by **Wednesday, February 24, 2010.**
