

Directions to the HCCA Broken-Pigeon Shoot

From the Capitol Beltway

Take I-66 west to Intersection of 29 south (Gainesville). Take 29 south to Warrenton. At Warrenton take the 29 Bypass around Warrenton continuing south on 29. Proceed to the intersection of 29 and 17. Take a left onto 17 and head east towards Fredericksburg. Proceed through the intersection of Rt. 17 and Rt. 28 (stoplight) and continue a short way past that intersection to the next stoplight which is the intersection of Rt. 17 and State Route 656. Take a right on 656 (the road will immediately curve left past Cedar Lee Middle School and run down to the railroad tracks) and follow it approximately 2.2 miles along the railroad tracks to the intersection of Lucky Hill Road (There's no Route sign, but if you measure it with your car odometer from Rt.17, you'll hit it on the dime. Also, at that point Lucky Hill Road only goes to the left across the railroad tracks. We'll have an HCCA sign there with an arrow so you'll know you're headed in the right direction). Take a left across the railroad tracks at Luck Hill/Railroad Intersection and proceed approximately 1/2 a mile to the entrance of the Shady Grove Range on Right.
