

## Land Development & Permitting Departments

The counties of Northern Virginia are all operating under unique circumstances. Below are highlights and resources from Prince William, Fairfax, and Loudoun counties.

### Prince William County

- Drop-off bins are labeled by agency and located at the side entrance of the Development Services Building
- Plan Reviews and Site Inspections will Continue
- Record Requests, Planning and Zoning Applications can be made online

[PWC Planning Office Status](#)

### Fairfax County

- Fairfax County site inspections are operating normally and will be visiting active construction sites on their regular schedule.
- You must now schedule, modify or cancel your inspections using [FIDO](#)

[Fairfax County Land Development Dept Status](#)

### Loudoun County

- For general permitting or land development questions, checking a permit status or to schedule inspections, customers may contact the department 703-777-0220, [email bad@loudouncounty.gov](mailto:bad@loudouncounty.gov) or use [Loudoun Express Request](#)
- All completed permit and land development applications will be left at the temporary drop-box in the first floor lobby of the Government Center between the hours of 8:30 a.m. to 5:00 p.m.
