### **New Stormwater Pro Rata Share Requirements Take Effect July 1, 2015: New Assessment Form and Revised Infill Grading Plan Coversheet**

The new stormwater pro rata share requirements take effect on July 1, 2015.

First submissions of site plans, minor site plans, subdivision plans, public improvement plans, conservation plans, rough grading plans and infill grading plans submitted to the County on or after the effective date shall use the new pro rata share assessment form and revised infill grading plan coversheet to provide information to the Customer and Technical Support Center for calculating the pro rata share assessment.

The Pro Rata Share Assessment Form is available at:

<http://www.fairfaxcounty.gov/dpwes/forms/pro-rata-share-assessment.pdf>.

The revised coversheet is available in PDF format at:

<http://www.fairfaxcounty.gov/dpwes/publications/lti/2015-inf-cover.pdf> and in an AutoCAD drawing format as <http://www.fairfaxcounty.gov/dpwes/forms/2015-inf-cover.dwg>.

For plan sets submitted prior to July 1, 2015 (effective date) using the previous coversheet pro rata form/calculations, subsequent submittals are not required to comply with the new form/calculations and coversheet.

If you have any questions, please contact the Customer and Technical Support Center at **703-222-0801, TTY 711**.
